### WE LOVE OUR BEACH AND BACKYARD BUT IT IS IMPORTANT THAT WE DON'T LOVE IT TO DEATH!

Over the past year **Crest Birubi Beach** has taken several steps to reduce our impact on the environment. We have paper straws and give you the option of whether you even need a straw. We have changed all of our takeaway food packaging to paper or bio plastic products. We support BYO coffee cups for takeaway coffee and offer a discount. Visit Responsible Cafes for more info: [www.responsiblecafes.org/](http://www.responsiblecafes.org/) Instead of plastic water cups in busy times we have extra reusable cups. We have also reduced the number of single use containers in our kitchen for food prep. Our bottles and cans are separated out and taken to Return and Earn. This money goes to the Birubi Point SLSC Nippers.

**WHAT CAN YOU DO:** Say no to a straw; use a refillable water bottle; BYO coffee cup if you are heading to the beach; always put your rubbish in the bin.

**TAKE 3 FOR THE SEA** - next time you are walking on the beach try to pick up just 3 pieces of rubbish. Sadly it is easy to do. There are plenty of bins located nearby. See [www.take3.org/](http://www.take3.org/)
